Dear Local More at Four (MAF) Contractors and Program Contacts:

It is time for the next TLU Statewide Quarterly Update! Our discussion will include an update about Local MAF Contractors that are collaborating with the TLU to serve MAF teachers on the waiting list. Now is the time to plan for next year, so please to participate in this webinar to learn about options for supporting MAF teachers in nonpublic schools through the teacher licensure process.

Make plans now to join us from **3:30-4:45 p.m., Wednesday, April 21<sup>st</sup>**. We will sign on around 3:00 p.m. to help anyone that may have connectivity issues.

**This webinar is for local MAF contractors and program contacts – not MAF site administrators or teachers.**

We look forward to talking with you April 21<sup>st</sup>!
